

EVENT STAFF

We are pleased to offer this unique service of Event Staff. You may have a private event in your home and need someone to greet the Guests, serve appetizers, drinks or even dinner. If you need someone to just be there to tidy up during a party and look the part of "hired help", we got you covered. Home, Office, anywhere, anytime.

If you need someone to look after the kids and entertain them at your home while you host your Event, during a Wedding or anywhere.....we can offer that service to you too.

All of our Event Staff will come wearing black pants and a white blouse. Event Staff will look professional and act with integrity at all times. They Staff are bondable and over 19.

For more information about hiring one of our Event Staff please call the office.
