

DELIVERY SERVICE

What a great service! You know those days you sit at home and think.... I would like to send a basket of MY choice to someone and have it delivered on a certain day, time and location? Well, now you can do it. You can create your own basket and tell us what you want or you can just tell us your thoughts and budget and we can make it happen.

Send that special gift to someone who is arriving at a Hotel or a door delivery because they got a promotion, had a baby or just because you want to say "Congratulations". We can help you with this service.

Please contact someone at the office and give us some details of what you're looking for and we can let you know how we can help.
